Arrive at Helsinki in the afternoon. Complete all the immigration formalities before boarding on to the luxury coach.

Upon arrival at Helsinki, visit Helsinki Library.

Later, transfer to an Indian restaurant for dinner. Check-in to the hotel, followed by an overnight stay at Helsinki.

Day 2: HELSINKI – HVOLSVOLLUR/HELLA

PACKED BREAKFAST – LOCAL DINNER

This morning, packed breakfast will be served. Check-out from the hotel and proceed to Helsinki airport to board the flight to Keflavik.

Arrive at Keflavik International Airport. **WELCOME TO ICELAND – The land of Ice & Fire.** After immigration, we will hop on to the luxury coach to take you on a tour of the **GOLDEN CIRCLE.**

First, we will visit **THINGVELLIR NATIONAL PARK.** No single place epitomises the history of Iceland and the Icelandic nation better than Thingvellir. It is the place where Alþingi, the world's oldest parliament, was founded in 930 AD as well as the place where Icelanders decided to become Christian. It was used as an execution spot for centuries. This park is also a natural wonder on an international scale, with the geologic history and the biosystem of Lake Thingvallavatn forming a unique entity, a magnificent showcase. Thingvellir was declared a WORLD HERITAGE SITE in 2004.

Then we will take you to one of Iceland's most visited active geyser – **STROKKUR**. Strokkur erupts blasting water to heights of around fifteen to twenty meters every five to ten minutes, although it is known to reach up to forty meters.

Next, we will visit **GULLFOSS** which literally means “Golden Waterfall” because on a sunny day, the water takes on a golden-brown color. The waterfall is considered the most beautiful waterfall in Iceland. The water cascades down in two stages, one 36 ft high, and the other 69 ft, into the 2,5 km long crevasse below, which was created at the end of the Ice Age by catastrophic flood waves and is lengthened by 25 cm a year by the constant erosion from the water.

Then, we will check-in to the hotel followed by local dinner and stay overnight in Hvalsvollur/Hella.

Day 3: HVOLSVOLLUR/HELLA	BREAKFAST – LOCAL DINNER
--------------------------	--------------------------

Today after breakfast, we will continue our journey along the southern coast of Iceland to the world-famous black sand beach of Iceland – **REYNISFJARA**. Upon visiting the beach, you will immediately observe rocky sea stacks sitting off the shoreline, known as Reynisdrangar.

Next, we will proceed towards the famous **Jökulsárlón glacier lagoon** where blue, white, turquoise and black streaked icebergs shift and creak about in an icy dance. The icebergs are 1,000-year-old chunks of the retreating Oraefajokull glacier that have broken off and are floating out to sea. On the way, we will have a

photo stop at **VIK - the southernmost village in Iceland**.

On our way, will have a journey from the eastern to the western part of Iceland through a breathtaking landscape to visit one of the most stunning waterfalls in Iceland – **Skógafoss**. Skógafoss is one of the biggest waterfalls in Iceland, with a drop of some 60 meters and a width of 25 meters. A legend is connected to Skógafoss waterfall; it is believed that behind it you can find a chest filled with gold and treasures. The story goes that Þrasi Þórólfsson, the Viking Settler at Skógar in around 900, hid the chest and it is said that the first man who goes there will find great treasures.

As the vessel moves forward, you will witness the incredible sight of thick sea ice cracking and breaking beneath the ship, creating a truly unforgettable experience in the heart of the Arctic landscape.

During the cruise, guests will have the opportunity to explore different areas of the ship, learn about the fascinating technology behind these massive icebreaking vessels, and enjoy breathtaking views of the vast frozen sea stretching endlessly in every direction. One of the most memorable highlights of the excursion is the chance to step onto the frozen sea itself or even float in the icy waters while wearing a **special thermal survival suit**, a once-in-a-lifetime Arctic adventure that very few places in the world can offer.

The serene beauty of the surrounding snow-covered landscapes, the crisp Arctic air, and the thrill of the icebreaker cutting through layers of frozen sea create an experience that perfectly captures the magic of Lapland.
